EDUCATION

Bachelor of Science in Computer Science , University of South Florida, Tampa, FL GPA: 3.36 / 4.0	Aug 2024 – May 2025
Bachelor of Science in Software Engineering , Universidad del Norte, Barranquilla, Colombia GPA: 4.32 / 5.0	Aug 2020 – May 2025

WORK EXPERIENCE

Differential Equations Tutor , Universidad del Norte, Barranquilla, Colombia	Jan 2022 – Dec 2023
Provided one-on-one or group tutoring sessions for students seeking assistance with differential equations.	

PROJECTS

EERIS-8 Web Application (Employee Expense Reporting System) , USF	Jan 2025 – April 2025
- Developed a Python script using Google's Gemini API to extract all required data from receipt images. - Built responsive frontend components in React.js with Chakra UI for uploading receipts and editing extracted data. - Developed backend functionality in Node.js to manage image uploads, trigger the extraction process, and return structured data to the frontend. - Collaborated in a team of four through all phases of the SDLC, including UML modeling, system design, implementation, testing, and final presentation.	
Dockerized CRUD Application Project , Universidad del Norte	Oct 2023 – Nov 2023
- Developed a containerized CRUD application using Docker, enabling streamlined deployment and scalability. - Implemented backend functionalities to handle create, read, update, and delete operations, optimizing for efficient data management in a microservices environment.	
Dumeet Mobile Application , Universidad del Norte	Aug 2023 – Nov 2023
- Designed and developed the backend to handle meeting scheduling, user authentication, and data management. - Collaborated on the frontend, contributing to UI enhancements and seamless integration with the backend. - Built the application using Flutter for the frontend and implemented efficient API communication.	

LEADERSHIP AND AFFILIATIONS

Member , Table Tennis Competitive Team, USF	Aug 2024 – May 2025
Member , Pickleball Competitive Team, USF	Aug 2024 – May 2025
Pianist , Global Music Band, Universidad del Norte	Aug 2023 – Aug 2024
Member , Partners Campus Volunteering Student Group, Universidad del Norte	Aug 2022 – Aug 2024
Captain , Table Tennis Competitive Team, Universidad del Norte	Jan 2022 – Aug 2024

SKILLS

Platforms/Operating Systems:	Linux, Windows, Mac OS, Android, iOS
Programming:	Python, Java, Dart, SQL, JavaScript, HTML, CSS, C#
Technologies/Environment:	Docker, Node.js, React.js, MongoDB, Flutter, YOLOv8, Tesseract, Git, MySQL, NetBeans, Visual Studio, Microsoft .NET Framework

HONORS AND AWARDS

Indoor Sport Club of the Year, Table Tennis Club, University of South Florida	May 2025
Silver Medal, NCTTA Florida Division, Women's Singles, Table Tennis, Orlando, FL	Feb 2025
International Tutor Training Program Certification (CRLA), Universidad del Norte	Dec 2023
